

VOC Free Epoxy Paint Low Odor 3mm Heat Resistant Epoxy Coating

Our Product Introduction

for more products please visit us on epoxyresinfloorcoating.com

Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: MTC-3001
- Minimum Order Quantity: 500KG
- Packaging Details: Part A: 15 kg in an plastic bucket, Part B: 5 kg in an plastic bucket.
- Delivery Time: 5-8 working days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 300, 000 kg per day

CREKOAT

Product Specification

- Features: Heat Resistant
- Name: VOC Free Epoxy Paint
- Materials: Copper Metallic Epoxy Floor
- Mixing Ratio: 3:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Thickness: 1mm~3mm
- Application: Brush, Roller, Spray
- Highlight: VOC Free Epoxy Paint Low Odor,
VOC Free Epoxy Paint,
3mm Heat Resistant Epoxy Coating

Product Description

VOC Free Low Odor Poured Resin Floor Coating Metallic Epoxy Colors

Product Descriptions:

Product Name	Metallic Resin Floor Coating
Drying time (25°C)	Touch dry≤4 hours / Hard dry≤24 hours
Viscosity (25°C), cps	Part A 5000 - 5500, Part B 500-550 cps
Solid Content, %	100
Hardness, shore D	≥85
Coverage (advise 2 coats)	0.5kg/sqm per coat

Quick Details:

The swirls and sparkles in metallic epoxy render each floor installation as a unique piece of art. Notably, metallic epoxy offers an elevated level of reflectivity, enhancing its visual appeal. Imaginative interior design can take advantage of colored lighting and reflective elements, amplifying the space's visual impact.

This characteristic makes metallic epoxy an ideal choice for leaving a lasting impression on visitors or ensuring that your business stands out upon entry. With a vast array of color combinations and creative techniques available, you have the freedom to select distinct styles, allowing for personalized and standout flooring designs that add a touch of sophistication and individuality to any space.

Features:

1. Seamless, easily cleanable surface
2. Resistant to stains and water
3. Durability
4. Self leveling
5. Super gloss finish
6. Amazing and unique results

Advantages:

Resin floors are a widely used flooring solution. This system utilizes a mix of materials to create a hardened resin surface. This solution is applied in a liquid form, crafting a seamless flooring system. Resin flooring solutions are incredibly durable and built to last. Some thicker types of resin flooring can even be harder than concrete.

By combining our various resins with specific chemical hardeners, the resulting proprietary systems achieve desired levels of chemical-resistance. Therefore, resin flooring is capable of withstanding years of harsh heavy-duty cleanings, making it a viable option for a wide range of applications. Optional additives can be incorporated into resin flooring to achieve desired effects, such as industrial or decorative aggregates, various pigments, decorative multicolored flakes or natural mica chip blends.
