Coverage (advise 2 coats)	0.5kg/sqm per coat

Quick Details:

Visual effect – The most significant advantage of epoxy 3D floor is the stunning visual effect. In addition to the gorgeous appearance, it can visually solve many problems of the room interior because of the unique aesthetic qualities. By choosing the right 3D floor design, color and pattern, with the help of self-leveling epoxy coatings you can even visually increase the room space. It can help to implement the infinite imagination of the designer and attracts the eyes endlessly.

Features:

1. Seamless, easily cleanable surface
2. Resistant to stains and water
3. Durability
4. High gloss finish
5. Fast application
6. Amazing and unique results

Advantages:

Epoxy resin floor coating provides a high-gloss and durable layer. Floor coatings made of 100% solid epoxy can be made to be seamless and chemical, antimicrobial and slip-resistant.

The durable and stunning appearance that comes from this epoxy finish will endure for many years to come, with minimal or no maintenance other than regular cleaning using mild cleaning products.

The floors appear stunning, and your needs for performance are met. Epoxy Resin floors are great for galleries and waiting rooms, showrooms, restaurants, hotels, or any other place that needs to display a touch of glamour.
