Quick Details:

Decorative flake floor coating solutions are available in a wide range of both colors and flake sizes, making them a highly versatile and customizable epoxy flooring option. Floor coatings containing natural mica flakes can provide a beautiful, elegant appearance similar to granite floors, but without the high costs of installation and maintenance.

Features:

1. Seamless, easily cleanable surface
2. Resistant to stains and water
3. Durability
4. High gloss finish
5. Fast application
6. Amazing and unique results

Advantages:

Epoxy resin floor coating provides a high-gloss and durable layer. Floor coatings made of 100% solid epoxy can be made to be seamless and chemical, antimicrobial and slip-resistant.

The durable and stunning appearance that comes from this epoxy finish will endure for many years to come, with minimal or no maintenance other than regular cleaning using mild cleaning products.

The floors appear stunning, and your needs for performance are met. Epoxy Resin floors are great for galleries and waiting rooms, showrooms, restaurants, hotels, or any other place that needs to display a touch of glamour.
