Solid Content, %	100
Hardness, shore D	≥85
Coverage (advise 2 coats)	0.5kg/sqm per coat

Quick Details:

Crekoat chip & flake epoxy coating flooring systems combine high-quality blended vinyl flakes with epoxy and polyaspartic coatings to create a highly functional and aesthetically pleasing floors. Ideal for all types of environments, epoxy flake floor coatings offer a custom finish that can be designed to suit any space. Available with either a lightly textured or completely smooth surface, seamless chip applications are easy to clean while offering excellent resistance to abrasion and long-term wear.

Features:

1. Seamless, easily cleanable surface
2. Resistant to stains and water
3. Durability
4. High gloss finish
5. Fast application
6. Amazing and unique results

Advantages:

Epoxy resin floor coating provides a high-gloss and durable layer. Floor coatings made of 100% solid epoxy can be made to be seamless and chemical, antimicrobial and slip-resistant.

The durable and stunning appearance that comes from this epoxy finish will endure for many years to come, with minimal or no maintenance other than regular cleaning using mild cleaning products.

The floors appear stunning, and your needs for performance are met. Epoxy Resin floors are great for galleries and waiting rooms, showrooms, restaurants, hotels, or any other place that needs to display a touch of glamour.
