Quick Details:

The Flakes system makes concrete flooring as beautiful as it is practical and cost-effective. Color Flakes, also commonly referred to as chips, flakes, flecks, or epoxy flake systems, utilize a unique product that is integrally pigmented, brilliantly multicolored, and random in shape and size. You can use custom blends with infinite possibilities to achieve optimal appearance and texture qualities with a epoxy floor coating that is great for garages, commercial spaces, and more.

Features:

1. Seamless, easily cleanable surface
2. Resistant to stains and water
3. Durability
4. High gloss finish
5. Fast application
6. Amazing and unique results

Advantages:

Epoxy resin floor coating provides a high-gloss and durable layer. Floor coatings made of 100% solid epoxy can be made to be seamless and chemical, antimicrobial and slip-resistant.

The durable and stunning appearance that comes from this epoxy finish will endure for many years to come, with minimal or no maintenance other than regular cleaning using mild cleaning products.

The floors appear stunning, and your needs for performance are met. Epoxy Resin floors are great for galleries and waiting rooms, showrooms, restaurants, hotels, or any other place that needs to display a touch of glamour.
