

Decorative Clear Polyaspartic Floor Coating Excellent Adhesion Full Broadcast

Our Product Introduction

for more products please visit us on epoxyresinfloorcoating.com

Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: PLS-1001
- Minimum Order Quantity: 500KG
- Packaging Details: Part A: 20 kg in an iron bucket, Part B: 20 kg in an iron bucket.
- Delivery Time: 5-8 working days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 300, 000 kg per day

CREKOAT

Product Specification

- Features: Chemical Resistance
- Name: Polyaspartic Floor Coating
- Materials: Polyaspartic Resin
- State: Liquid Coating
- Mixing Ratio: 1:1 By Weight
- Shelf Life: 12 Months
- Thickness: 1mm~3mm
- Application: Brush, Roller, Spray
- Highlight: Decorative Polyaspartic Floor Coating, Polyaspartic Floor Coating Adhesion, Clear Polyaspartic Coating

Product Description

Decorative Flakes Full Broadcast Polyaspartic Floor Coating Sealer

Product Descriptions:

Product Name	Polyaspartic Sealer
Drying time (25°C)	Touch dry≤2 hours / Hard dry≤12 hours
Viscosity (25°C), cps	Part A 200, Part B 250
Solid Content, %	100
Hardness, shore D	≥50
Coverage (advise 2 coats)	0.3kg/sqm per coat

Quick Details:

Excellent corrosion protection

Corrosion can destroy not only your equipment but also your budget. Polyaspartic coatings provide excellent protection against corrosion in construction, agricultural, and commercial vehicles and wind power stations, wind turbines, and other machinery exposed to weather conditions.

Features:

1. Fast cure times with excellent adhesion
2. Low Odor, No VOC
3. Superior chemical resistance
4. Superior abrasion resistance
5. Nonyellowing and good gloss retention
6. Easy to mix 1:1 ratio by volume

Advantages:

The cross linking of the Polyaspartic series film in the cure makes it exceptionally tough and durable, making it four times more abrasion resistant than normal epoxy. The chemistry is based upon polyaspartic and much attention has been given to the application and installation attributes in its formulation. As a result, the Polyaspartic clear topcoat is extremely user friendly without having sacrificed the performance of the finished floor coating product. The applications for this product are almost limitless. Polyaspartic is suited for use on high-end residential flooring applications, retail floor settings with high traffic, or food service floor areas where stain resistance and cleanability are paramount.
