

Spray Heavy Duty Slip Resistant Epoxy Floor Paint Abrasion Resistance

Our Product Introduction

for more products please visit us on epoxyresinfloorcoating.com

Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: ASL-3001
- Minimum Order Quantity: 500KG
- Packaging Details: Part A: 18 kg in an iron bucket, Part B: 6 kg in an iron bucket
- Delivery Time: 5-8 working days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 300, 000 kg per day

CREKOAT

Product Specification

- Features: Two Pack
- Name: Anti Slip Epoxy Coating
- State: Liquid Coating
- Mixing Ratio: 3:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Thickness: 1mm~3mm
- Application: Brush, Roller, Spray
- Highlight: Spray Slip Resistant Epoxy Floor Paint,
Heavy Duty Slip Resistant Epoxy Floor Paint,
Heavy Duty Epoxy Paint Abrasion Resistance

Product Description

Long Lasting Slip Resistant Heavy Duty Epoxy Floor Paint

Product Descriptions:

Product Name	Heavy Duty Anti Slip Floor Paint
Drying time (25°C)	Touch dry≤6 hours / Hard dry≤24 hours
Impact resistance 500g steel ball (g·cm)	Pass
Wear resistance (700g / 500r)	≤0.03g
Pencil Hardness (H)	≥3
Coverage (advise 2 coats)	0.25kg/sqm per coat

Quick Details:

Our 2 Pack Epoxy Non Slip Floor Paint is a well proven 2-pack chemically curing glossy floor paint for use in high traffic areas. Epoxy Floor Paint is exceptionally easy to apply and maintain.

2-pack epoxy coatings provide extremely tough and seamless finishes, with exceptional resistance to most chemicals, solvents and oils. Our epoxy floor coating is ideal for use where regular foot, vehicle and truck traffic is expected, and where there is risk of occasional spillage's of chemicals, solvents, oils and other surface contamination, such as warehouses, factories, workshops, garages and showrooms.

Features:

1. Textured gloss coloured finish
2. Resistant to stains and water
3. High durability
4. Excellent adhesion
5. Abrasion resistance
6. Suitable for heavy use and mechanical loads

Advantages:

Many companies chose epoxy flooring for its ease and strength. Epoxy flooring is the perfect solution for floors that must withstand extreme temperatures, foot and machine traffic, chemicals, oil, and other fluids without peeling or corroding over years of constant use. Food processing, electronics, pharmaceutical, meat and poultry, distilleries, dairy, industrial, and manufacturing facilities are just some of the industries for which epoxy flooring is the perfect solution. Because epoxy is poured, there aren't seams, joints, or ridges like with tile or other types of flooring. This makes epoxy a more sanitary flooring option, eliminating cracks and crevices for dirt and bacteria to hide during cleanings. Also, its smooth surface makes it easier for hospital gurneys or forklifts to roll over without jostling or resistance from floor seam bumps.
