Quick Details:

Acrylic Floor Paint is a quick drying, low odour water based floor paint providing a tough and durable finish on virtually any surface. Acrylic Floor Paint protects and transforms floors with an attractive finish for surfaces such as brickwork, concrete, cement, wood, metal and stone.

Acrylic Floor Paint is also ideal for asphalt and tarmac, it protects floors with an easy-to-clean thermoplastic coating and stops the dusting of concrete surfaces. Professional Acrylic Floor Paint resists grease, oil and weak solutions of acid and alkali, making it ideal for domestic, commercial and industrial use.

Features:

1. Textured gloss coloured finish
2. Resistant to stains and water
3. Durability
4. Cost effectiveness
5. Fast application
6. Suitable for heavy use and mechanical loads

Advantages:

Our Acrylic floor paint is an easy to apply and fast drying with low odour for foot and light truck traffic. Suitable for internal and external applications such as bricks, window ledges and walls. It can be used on tarmac as well as concrete, asphalt, wood, walls and bricks. This low odour floor paint offers a quick drying and durable coating of high quality paint. It is slip resistant, which makes it ideal for almost any different environment. Having an anti slip surface, this helps towards the prevention of injuries to employees and general domestic users.
