

Seamless Liquid Rubber Sports Floor Coating EPDM Rebound Anti Slip

Our Product Introduction

Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: SPU-001
- Minimum Order Quantity: 500KG
- Packaging Details: PU materials packed in drums, granules packed in poly bags.
- Delivery Time: 5-8 working days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 300, 000 kg per day

Product Specification

- Features: Environment Friendly
- Name: Sports Floor Coating
- Materials: EPDM Rubber
- State: Liquid Coating
- Color: Green, Blue, Red Or Others
- Size: 12 Months
- Application: Brush, Roller, Spray
- Highlight: **Seamless Sports Floor Coating,
Sports Floor Coating Rebound,
EPDM Liquid Rubber Floor Coating**

Product Description

Anti Slip Basketball Sports Court Flooring Silicon PU Flooring System

Product Descriptions:

Product Name	Rubber Sports Flooring
Shore A	56
Rebound value%	29
Stretch value%	0.8
Ball rebound value%	98
Features	Multiple Usage

Quick Details:

Silicon PU Basketball Sports Court Flooring plays a significant role in supporting children's development.

The incorporation of Silicon PU Sports Flooring is pivotal in fostering the holistic development of children. Engaging in recreational activities and exercise not only promotes immediate health benefits but also establishes healthy habits that can prevent obesity and support lifelong well-being. Ensuring the safety of Si-PU Basketball Court Flooring for children is paramount. Providing a safe environment allows children to explore and express themselves without the fear of serious injury. Consequently, many parents prioritize assessing the safety standards of public sport courts before allowing their kids to engage in activities.

Choosing Silicon PU flooring materials that prioritize safety and security ensures the protection of children during their playtime, fostering an environment that encourages their physical and emotional development.

Features:

1. Non-toxic
2. Color options
3. Water proof, durability
4. Seamless, dustproof
5. Fast Application
6. Resistant to colour fading

Advantages:

Silicon PU sport are 100% acrylic Sport surfaces Designed to provide consistent speed of play, texture and vibrant color to any indoor or outdoor facility. Our court surfaces are resistant to fading and withstand a variety of weather conditions from ice and snow to intense heat and ultra-violet rays. The acrylic court systems can be applied on asphalt, concrete, or existing acrylic tennis court surfaces.
