

## TDS Blue Metallic Epoxy Floor Coating High Gloss Floor Paint

Our Product Introduction

for more products please visit us on epoxyresinfloorcoating.com

### Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-MTL2001
- Minimum Order Quantity: 300KG
- Price: US\$4.5-6.5/Kg
- Packaging Details: Bottle/Cartron/Wooden Box
- Delivery Time: 3-7 Working days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000000 Ton/Year

### Product Specification

- Category Name: Appliance Epoxy Paint
- Character: Professional Grade Clear Resin
- Materials: Epoxy Resin And Hardener
- Key Words: Glass Like Metallic Finish
- Application: Wood, Brick, Ceramic, Concrete
- Mixing Ratio: 2:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Highlight: **Blue Metallic Epoxy Floor Coating, High Gloss Metallic Epoxy Floor Coating**

## Product Description

### High Gloss Floor Paint Epoxy Resin Blue Metallic Epoxy Floor Coating

#### Quick Details Of Floor Paint Epoxy Resin:

Our Metallic Epoxy Color Pigments are a revolutionary blend, comprising mica nanoparticles coated with organic and inorganic pigments. Unlike traditional pigments, these specialized elements create captivating pearlescent and iridescent effects, mirroring the natural allure of stones and rocks. Notably, our pigments are metal-free, setting them apart from metallic epoxy coatings.

Designed for on-site mixing with a 100% solids clear epoxy adhesive, these pigments, when integrated with epoxy, infuse coatings with a luminous sheen that reflects light, resulting in striking and vivid colors.

Available in an array of hues, our metallic pigments enable the creation of stunning artistic designs. When applied to concrete, they produce a stained appearance with enhanced color depth, appealing to designers and architects seeking to elevate the visual impact of floors.

Termed as "designer epoxy," our metallic pigments cater to the refined tastes of architects and designers, offering unparalleled depth, complexity, and brilliance in floor aesthetics.

#### Features Of Floor Paint Epoxy Resin:

1. Pearlescent and iridescent effects, mimicking the natural beauty
2. Resulting in coatings with a luminous sheen and striking coloration
3. Specifically designed for 100% solids clear epoxy adhesive
4. Versatile Color Options: Available in a diverse range of colors
5. Enabling the creation of stunning artistic designs on various surfaces
6. Offering unparalleled brilliance and complexity in floor design and decoration

#### Advantages Of Floor Paint Epoxy Resin:

Metallic epoxy floor coating is a low yellowing epoxy resin mixed with metallic pigments. Tiny, shimmering pigments are mixed into the epoxy and poured onto the floor or substrate. When these paints are stirred by a brush or roller, they gather, separate, twist and reflect light at different angles. Eventually, the epoxy hardens and the metallic pigments lock into place, giving them a three-dimensional, swirly appearance. Installation technique is what determines the final look of your floor and is a key part of achieving the desired look.

Metallic epoxy floor coatings are not only aesthetically pleasing, but also offer many other benefits. Metallic epoxy floor coatings can be customized to be extremely durable, low yellowing, seamless, antimicrobial, non-slip and chemical resistant. These floors not only look beautiful, but can meet all your performance needs. They are perfect for waiting rooms, exhibition rooms, restaurants, galleries and more.

#### Product Descriptions Of Floor Paint Epoxy Resin:

Item	Epoxy Resin(A)	Hardener(B)
Appearance	Liquid	Liquid
Color	Transparent	Transparent
Viscosity@25°C	600-800 mPa·s	50-150
Density, g/cm <sup>3</sup>	1.07±0.05	0.95±0.03
Mix Ratio	2:1 by weight	
Hardness	Shore, D80-85	
Pot Life	30-40mins@25°C	
Curing Time	16-24hrs@25°C, 12-15hrs@35°C 24hrs, Dry Completely	
Max Pour Depth	1-3 mm	
Shelf Life	12 Months	
Application	Industrial Use - Garages; Warehouses; Airports and hangars; Commercial Use - Shopping malls and boutiques; Hotels; Offices; Showrooms; Restaurants; Hospitals; Schools; Bar Tops, Table Tops. Residential Use – Entrances and hallways; basements; entertainment rooms; bathrooms; kitchens and living rooms;
