

## High Gloss Finish Industrial Epoxy Floor Coating Withstand Heavy Traffic

Our Product Introduction

for more products please visit us on [epoxyresinfloorcoating.com](http://epoxyresinfloorcoating.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: SGS, TDS, MSDS
- Model Number: CK-PT4001
- Minimum Order Quantity: 300KG
- Price: US\$3.5-5.5/Kg
- Packaging Details: Bottle/Carton/Wooden Box
- Delivery Time: 3-7 Working days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000000 Ton/Year

### Product Specification

- Name Legally Registered As A Trademark: Industrial Resin Flooring
- Distinguished: Odor Free, Easy To Install
- Materials: Epoxy Resin And Hardener
- Key Words: Seamless, High Gloss Finish
- Application: Wood, Brick, Ceramic, Concrete
- Mixing Ratio: 4:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Highlight: Industrial Epoxy Floor Coating

## Product Description

### High Gloss Finish Industrial Epoxy Floor Coating Withstand Heavy Traffic

#### Quick Details Of Industrial Epoxy Floor Coating:

Crekoat Epoxy is a leader in the manufacturing and installation of high-performance epoxy flooring. The epoxy resin flooring system is used for re laying concrete floors and adding colors to specify sidewalks or other markings. They also provide many performance functions, such as slip resistance, chemical resistance, and wear resistance. Epoxy resin flooring is also used to provide waterproofing and drainage asphalt, which is a seamless solution for hygiene protection. From an aesthetic perspective, epoxy resin flooring can add decorative finishes and designs to commercial and industrial spaces, with unlimited color choices.

Crekoat Epoxy is a high-strength industrial and commercial flooring system that can be used in epoxy and polyurethane formulations in heavy-duty environments. Chemical resistance, wear resistance, and impact resistance.

#### Features Of Industrial Epoxy Floor Coating:

1. Fast drying allowing for minimal downtime
2. Endless color options
3. Odorless, non-flammable
4. Easy to apply, clean and maintain
5. Naturally de-foaming with no ripples
6. Tough, high gloss, water resistant coating

#### Advantages Of Industrial Epoxy Floor Coating:

Epoxy flooring is specifically designed for floors that must withstand extreme temperatures, foot and machine traffic, chemicals, oil, and other fluids without peeling or corroding over years of constant use. Food processing, electronics, pharmaceutical, meat and poultry, distilleries, dairy, industrial, and manufacturing facilities are some of the industries for which epoxy flooring is the perfect solution. Because epoxy is poured, there aren't seams, joints, or ridges like with tile or other types of flooring. This makes epoxy a more sanitary flooring option, eliminating cracks and crevices for dirt and bacteria to hide during cleanings. Also, its smooth surface makes it easier for hospital gurneys or forklifts to roll over without jostling or resistance from floor seam bumps. It is a high-performance decorative coating used for the floor.

#### Product Descriptions Of Industrial Epoxy Floor Coating:

Item	Epoxy Base Material(A)	Epoxy Hardener(B)
Appearance	Liquid	Liquid
Color	Custom Colors	Transparent
Density@25°C	1.3g/cm3	
Mix Ratio	4:1 by weight	
Hardness	3H	
Pot Life	30-40mins@25°C	
Curing Time	16-24hrs@25°C, 12-15hrs@35°C 24hrs, Dry Completely	
Recoat Time	2Hrs	
Thickness	1-3 mm	
Shelf Life	12 Months
