

Heavy Duty Seamless Industrial Epoxy Floor Coating Withstand Chemicals

Our Product Introduction

for more products please visit us on epoxyresinfloorcoating.com

Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: SGS, TDS, MSDS
- Model Number: CK-PT4001
- Minimum Order Quantity: 300KG
- Price: US\$3.5-5.5/Kg
- Packaging Details: Bottle/Cartron/Wooden Box
- Delivery Time: 3-7 Working days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000000 Ton/Year

Product Specification

- Product Name Given By A Company: Industrial Floor Paint For Concrete
- Archetypal: VOC Compliant
- Materials: Epoxy Resin And Hardener
- Key Words: Seamless, High Gloss Finish
- Application: Wood, Brick, Ceramic, Concrete
- Mixing Ratio: 4:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Highlight: **Seamless Industrial Epoxy Floor Coating ,
Chemicals Industrial Epoxy Floor Coating**

Product Description

Heavy Duty Seamless Industrial Epoxy Floor Coating Withstand Chemicals

Quick Details Of Industrial Epoxy Floor Coating:

Use a low maintenance flooring system to reduce the time required to clean and maintain epoxy flooring. Easy to clean, seamless flooring can prevent bacterial growth and make cleaning work easier to manage, saving employees time and money. You can also avoid rough cleaning procedures as they may wear out your floor. The lower the maintenance cost of the flooring system, the easier it is to maintain brightness for employees and visitors.

Due to their seamless nature, all Crecoat Epoxy flooring systems offer lower maintenance than traditional flooring, but the cleaning procedures vary across different industries. In certain industries, high gloss epoxy resin flooring is preferred for specific areas to achieve eye-catching effects or brighten the area. In specific situations, high gloss flooring may even be more durable.

Features Of Industrial Epoxy Floor Coating:

1. 100% solids epoxy floor toppings
2. Safe for people, products and processes
3. Odorless, non-flammable
4. Easy to apply, clean and maintain
5. Naturally de-foaming with no ripples
6. Tough, high gloss, water resistant coating

Advantages Of Industrial Epoxy Floor Coating:

Epoxy flooring is specifically designed for floors that must withstand extreme temperatures, foot and machine traffic, chemicals, oil, and other fluids without peeling or corroding over years of constant use. Food processing, electronics, pharmaceutical, meat and poultry, distilleries, dairy, industrial, and manufacturing facilities are some of the industries for which epoxy flooring is the perfect solution. Because epoxy is poured, there aren't seams, joints, or ridges like with tile or other types of flooring. This makes epoxy a more sanitary flooring option, eliminating cracks and crevices for dirt and bacteria to hide during cleanings. Also, its smooth surface makes it easier for hospital gurneys or forklifts to roll over without jostling or resistance from floor seam bumps. It is a high-performance decorative coating used for the floor.

Product Descriptions Of Industrial Epoxy Floor Coating:

Item	Epoxy Base Material(A)	Epoxy Hardener(B)
Appearance	Liquid	Liquid
Color	Custom Colors	Transparent
Density@25°C	1.3g/cm3	
Mix Ratio	4:1 by weight	
Hardness	3H	
Pot Life	30-40mins@25°C	
Curing Time	16-24hrs@25°C, 12-15hrs@35°C 24hrs, Dry Completely	
Recoat Time	2Hrs	
Thickness	1-3 mm	
Shelf Life	12 Months	
Application	Industrial Use - Garages; Warehouses; Airports and hangars; Commercial Use - Shopping malls and boutiques; Hotels; Offices; Showrooms; Restaurants; Hospitals; Schools; Bar Tops, Table Tops.
