Product Description

Food Grade Clear Epoxy Resin Kit For Craft And Art Rock Solid

Quick Details Of Clear Epoxy Resin:

Certified food safe epoxy resin, with minimal odor, non-toxic, free from volatile organic compounds and solvent materials - food grade epoxy resin, perfect formula, suitable for home and professional use. When used according to instructions, it is harmless to you and the environment. Quick curing, heat resistant - our crystal epoxy resin can cure in just 24 hours. After this period of time, it has become rock solid, resistant to scratches, advanced additives, and heat-resistant. You will have a crystal clear, glassy smooth surface that will last for several years. Easy to use, 1:1 ratio - our two part epoxy resin kit is easy to use, even for beginners. The kit includes resin (500ml), hardener (500ml), reusable mixing rod, gloves, and manual. Upgrade your resin game with our craft resin to take your art to a new level.

Features Of Clear Epoxy Resin:

1. Free of bubbles or other imperfections
2. Non-toxic, odorless, non-flammable
3. Free of solvents, VOC/BPA free
4. Resistant to yellowing from UV
5. Durable, water-clear, high-gloss
6. Useable on wood, concrete, glass

Advantages Of Clear Epoxy Resin:

CK-ART1001 A High Viscosity Epoxy Resin, designed for coating and creative applications. An easy to measure 1:1 ratio self-leveling, self degassing product, with excellent air release properties, is UV Stable, low in VOC's and in odour. This clear epoxy resin product has been designed to add a diamond-like finish to your resin art, acrylic pours, mosaics, photographs, prints, timber surfaces, sculptures, and more. Can be applied by pouring, brushing on, or with a roller to substrates such as Art Boards, MDF, acrylic sheet, concrete, metal, wood and more.
