Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-FL2001
- Minimum Order Quantity: 400KG
- Price: US\$4.5-6.5/Kg
- Packaging Details: Bottle/Cartron/Wooden Box
- Delivery Time: 3-7 Working days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000000 Ton/Year

Product Specification

- Labelled Merchandise: Decorative Paint Flakes
- Noteworthy Aspect: Easy To Clean
- Key Words: Interior And Exterior Use
- Materials: Epoxy Resin And Hardener
- Application: Wood, Ceramic Tile, Concrete
- Mixing Ratio: 2:1 By Weight
- Pot Life: 40 Minutes
- Shelf Life: 12 Months
- Highlight: **Residential Epoxy Flake Floor Coating, Customizable Epoxy Flake Floor Coating**

Product Description

Residential Epoxy Flake Floor Coating Customizable For Showrooms Hospital

Quick Details Of Epoxy Flake Floor Coating:

Epoxy flake coating is a cutting-edge flooring solution that combines epoxy resin with decorative flakes, resulting in a stunning and unique finish. This innovative coating offers exceptional versatility, making it suitable for both residential and commercial applications. Its notable qualities include seamless installation, excellent moisture resistance, and superior impact resistance. With a wide range of color options and customizable designs, epoxy flake coating allows for endless creativity in transforming spaces. It finds its place in various settings, such as showrooms, hospitality venues, and educational facilities, where its aesthetic appeal and durability make a lasting impression. This modern flooring solution effortlessly combines style and functionality, providing a durable and visually captivating surface that exceeds expectations.

Features Of Epoxy Flake Floor Coating:

1. Slip-resistant the textured finish
2. Creates a seamless, smooth surface
3. Odorless, low VOC, non-flammable
4. Easy to apply, clean and maintain
5. Naturally de-foaming with no ripples
6. Durable, high gloss, water resistant

Advantages Of Epoxy Flake Floor Coating:

Epoxy Flake Coating is a highly-durable floor coating application that incorporates a double broadcast of colored flakes chips with epoxy resin and polyaspartic coatings. The system provides flooring solutions for the most demanding heavy-traffic environments, specifically in areas that require significant traction. The durable and stunning appearance that comes from this epoxy finish will endure for many years to come, with minimal or no maintenance other than regular cleaning using mild cleaning products. UV stable epoxy flake coating offers seamless, safe, highly durable, and easy to clean solutions to meet the most demanding flooring challenges.
