Product Description

Superior Bonding Blue Flake Epoxy Floor Blending Durability With Design

Quick Details Of Epoxy Flake Floor Coating:

Epoxy Flake Floor Coating: a union of strength and sophistication. Through the fusion of epoxy resin and decorative flakes, it shapes a floor that's not only tough but also a testament to artistry. Its ability to withstand daily challenges is matched only by its visual allure. However, what truly sets it apart is its versatility as a creative medium. With an array of colors and flake designs, it enables the transformation of spaces into personal expressions. Whether it's a residence, showroom, or office, this coating brings more than functionality – it embodies elegance. Seamlessly blending durability with design, it forms an intricate dance that speaks to both resilience and aesthetics.

Features Of Epoxy Flake Floor Coating:

1. Food processing hygienic for production areas
2. Seamless integration blends flawlessly
3. Strong adhesion for lasting protection
4. Easy to apply, clean and maintain
5. Naturally de-foaming with no ripples
6. Durable, high gloss, water resistant

Advantages Of Epoxy Flake Floor Coating:

Epoxy Flake Coating is a highly-durable floor coating application that incorporates a double broadcast of colored flakes chips with epoxy resin and polyaspartic coatings. The system provides flooring solutions for the most demanding heavy-traffic environments, specifically in areas that require significant traction. The durable and stunning appearance that comes from this epoxy finish will endure for many years to come, with minimal or no maintenance other than regular cleaning using mild cleaning products. UV stable epoxy flake coating offers seamless, safe, highly durable, and easy to clean solutions to meet the most demanding flooring challenges.
