Product Description

Resilient Finish Epoxy Flakes Bulk Floor Coating Customizable Thickness

Quick Details Of Epoxy Flake Floor Coating:

Epoxy Flake Floor Coating harmonizes durability and design. By blending epoxy resin with decorative flakes, it constructs a floor that's not only robust but also visually captivating. Its resistance against daily wear is exceptional, but its true magic lies in its artistic potential. A palette of colors and flake patterns empowers you to curate a floor that tells a unique story. This coating transcends mere functionality, becoming an artistic statement in spaces ranging from homes to commercial areas. Seamlessly fusing strength and aesthetics, it crafts an experience where floors become more than just surfaces – they embody a symphony of endurance and elegance.

Features Of Epoxy Flake Floor Coating:

1. Withstands wear and tear effectively
2. Adjustable coating depth for needs
3. Strong adhesion for lasting protection
4. Easy to apply, clean and maintain
5. Naturally de-foaming with no ripples
6. Durable, high gloss, water resistant

Advantages Of Epoxy Flake Floor Coating:

Epoxy Flake Coating is a highly-durable floor coating application that incorporates a double broadcast of colored flakes chips with epoxy resin and polyaspartic coatings. The system provides flooring solutions for the most demanding heavy-traffic environments, specifically in areas that require significant traction. The durable and stunning appearance that comes from this epoxy finish will endure for many years to come, with minimal or no maintenance other than regular cleaning using mild cleaning products. UV stable epoxy flake coating offers seamless, safe, highly durable, and easy to clean solutions to meet the most demanding flooring challenges.
