Product Description

High Gloss Flake System Epoxy Texture Variety Creates A Shiny Surface

Quick Details Of Epoxy Flake Floor Coating:

Epoxy Flake Floor Coating is the fusion of resilience and artistry. Marrying epoxy resin with decorative flakes, it crafts a floor that stands strong while making a visual statement. Beyond its durability, it's a playground of creative possibilities. A palette of colors and flake patterns lets you design a floor that's uniquely yours. From residential spaces to commercial settings, this coating doesn't just cover surfaces; it transforms them into personalized canvases. It's more than protection; it's the embodiment of style. The interplay of robustness and aesthetics creates a floor that silently speaks of strength and elegance, making every step taken a testament to the balance between form and function.

Features Of Epoxy Flake Floor Coating:

1. Creates a shiny and elegant surface
2. Diverse tactile options for preference
3. Strong adhesion for lasting protection
4. Easy to apply, clean and maintain
5. Naturally de-foaming with no ripples
6. Durable, high gloss, water resistant

Advantages Of Epoxy Flake Floor Coating:

Epoxy Flake Coating is a highly-durable floor coating application that incorporates a double broadcast of colored flakes chips with epoxy resin and polyaspartic coatings. The system provides flooring solutions for the most demanding heavy-traffic environments, specifically in areas that require significant traction. The durable and stunning appearance that comes from this epoxy finish will endure for many years to come, with minimal or no maintenance other than regular cleaning using mild cleaning products. UV stable epoxy flake coating offers seamless, safe, highly durable, and easy to clean solutions to meet the most demanding flooring challenges.
