Product Description

Water Based Epoxy Clear Coat Flake Floor Coating Withstand Daily Wear

Quick Details Of Epoxy Flake Floor Coating:

Epoxy Flake Floor Coating: A Masterpiece of Strength and Style. This innovative blend of epoxy resin and decorative flakes isn't just a floor; it's a statement of endurance and artistry. While its ability to withstand daily wear and tear is impressive, its creative potential is what truly sets it apart. A diverse palette of colors and flake patterns empowers you to design a floor that's an extension of your personality. From residential sanctuaries to vibrant commercial spaces, this coating transcends traditional flooring. It's not merely a surface; it's a canvas for self-expression. The seamless fusion of robustness and aesthetics creates a floor that harmonizes the practical with the poetic, turning each step into a testament to strength and elegance. Step into a world where floors don't just serve a function; they celebrate individuality and creativity.

Features Of Epoxy Flake Floor Coating:

1. Effectively prevents water damage
2. Resists fading and discoloration
3. Strong adhesion for lasting protection
4. Easy to apply, clean and maintain
5. Naturally de-foaming with no ripples
6. Durable, high gloss, water resistant

Advantages Of Epoxy Flake Floor Coating:

Epoxy Flake Coating is a highly-durable floor coating application that incorporates a double broadcast of colored flakes chips with epoxy resin and polyaspartic coatings. The system provides flooring solutions for the most demanding heavy-traffic environments, specifically in areas that require significant traction. The durable and stunning appearance that comes from this epoxy finish will endure for many years to come, with minimal or no maintenance other than regular cleaning using mild cleaning products. UV stable epoxy flake coating offers seamless, safe, highly durable, and easy to clean solutions to meet the most demanding flooring challenges.
