

## Eco - Friendly Moisture Proof Industrial Epoxy Coating For Basements

### Our Product Introduction

#### Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-PT4001
- Minimum Order Quantity: 300KG
- Price: US\$3.0-4.0/Kg
- Packaging Details: Bottle/Carton/Wooden Box
- Delivery Time: 3-7 Working Days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000000 Ton/Year

#### Product Specification

- Line Brand Emblem: Chemical Resistant Epoxy Flooring
- Predominant Trait: Exceptional Budget-Friendliness
- Key Words: Seamless, High Gloss Finish
- Materials: Industrial Concrete Epoxy
- Application: Wood, Brick, Ceramic, Concrete
- Mixing Ratio: 4:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Highlight: **Moisture Proof Industrial Epoxy Coating, Eco Friendly Industrial Epoxy Coating**

## Product Description

### Eco-Friendly Moisture Proof Industrial Epoxy Coating For Basements

#### Quick Details Of Industrial Epoxy Floor Coating:

In the world of flooring, industrial epoxy coatings are akin to masterful artisans. They deftly merge unwavering strength with an artistic flair, creating a symphony of two-part epoxy resins meticulously applied to carefully prepared surfaces. Their fame rests upon their resistance to harsh chemicals and their innate structural fortitude, establishing their supremacy in industrial domains. Whether found within expansive manufacturing complexes, bustling warehouse passageways, or the exacting environments of automotive workshops, these coatings transcend mere functionality, emerging as true masterpieces. Low in maintenance, visually captivating, and fortified against the relentless demands of heavy machinery and persistent wear, they echo as enduring tributes to performance and unwavering safety, captivating those who seek excellence.

#### Features Of Industrial Epoxy Floor Coating:

1. Ideal for locations prone to moisture issues
2. LEED Compliant, eco-friendly buildings
3. Non-slip surface for enhanced safety
4. Easy to apply, clean and maintain
5. Withstand heavy equipment and machinery
6. Suitable for industries and commercial spaces

#### Advantages Of Industrial Epoxy Floor Coating:

Epoxy floor coating is a flooring system composed of epoxy resin and hardener that creates a strong, durable, and long-lasting surface. This coating system is highly resistant to abrasion, chemicals, and moisture, making it ideal for high-traffic areas in commercial, industrial, and residential settings. Epoxy floor coating can be customized with a variety of colors, patterns, and textures, providing a unique and decorative finish. It is easy to clean and maintain, reducing the need for harsh chemicals and providing a low-maintenance flooring solution. Epoxy floor coating is also slip-resistant, improving safety in workplaces and homes. This flooring system can be applied to a variety of substrates, including concrete, wood, and metal, providing versatility and adaptability to any space. With its durability, customization options, and low-maintenance properties, epoxy floor coating is a popular and practical choice for both residential and commercial applications.

#### Product Descriptions Of Industrial Epoxy Floor Coating:

| Item         | Epoxy Base Material(A)  | Epoxy Hardener(B) |
|--------------|---|-------------------|
| Appearance   | Liquid  | Liquid            |
| Color        | Custom Colors   | Transparent       |
| Density@25°C | 1.3g/cm3  |                   |
| Mix Ratio    | 4:1 by weight   |                   |
| Hardness     | 3H  |                   |
| Pot Life     | 30-40mins@25°C  |                   |
| Curing Time  | 12-15hrs@35°C, 16-24hrs@25°C<br>24hrs, Dry Completely   |                   |
| Recoat Time  | 2Hrs  |                   |
| Thickness    | 1-5mm   |                   |
| Shelf Life   | 12Months  |                   |
