

## Non Toxic Epoxy Liquid Casting Resin Crafting Bathroom Decor Water Resistant

Our Product Introduction

for more products please visit us on [epoxyresinfloorcoating.com](http://epoxyresinfloorcoating.com)

### Basic Information

- Place of Origin: DONGGUAN, CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-ART1001
- Minimum Order Quantity: 500KG
- Price: US\$4.0-6.0/Kg
- Packaging Details: Bottle/Cartron/Wooden Box
- Delivery Time: 3-7 Working Days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000000 Kg/Year

### Product Specification

- Line Identity Label: Clear Mix Epoxy
- Distinct Feature: Anti-Corrosive
- Key Words: Bubble Free, Crystal Clear
- Materials: Epoxy Resin And Hardener
- Application: Casting, Coating And Art
- Mixing Ratio: 1:1 By Volume
- Pot Life: 40 Minutes
- Shelf Life: 12 Months
- Highlight: **Non Toxic Epoxy Liquid Casting Resin,  
Liquid Casting Resin Bathroom Decor,  
Liquid Casting Resin Water Resistant**

## Product Description

### Non-Toxic Epoxy Liquid Casting Resin Crafting Bathroom Decor Water-Resistant

#### Quick Details Of Liquid Casting Resin:

Liquid casting resin offers a unique advantage in its ability to cater to both clear and colored applications, providing artisans and manufacturers with unmatched versatility. Its inherent clarity makes it perfect for projects requiring transparency, such as encapsulating delicate objects or creating sleek, modern resin jewelry with a crystal-clear finish. Additionally, liquid casting resin's compatibility with a wide range of pigments and dyes allows for effortless color customization, empowering creators to achieve their desired aesthetic with precision and vibrancy. Whether aiming for subtle elegance or bold, eye-catching hues, liquid casting resin provides the flexibility and adaptability needed to bring diverse artistic visions to life with exceptional clarity and color depth, establishing itself as the go-to choice for innovative crafting and design ventures.

#### Features Of Liquid Casting Resin:

1. Non-toxic resin perfect for resin toy production
2. Water-resistant resin for crafting resin bathroom decor
3. Brings depth and dimension to your creations
4. UV resistant, highest yellowing resistance
5. Self-leveling & high gloss finish
6. Ideal for all casting and art projects

#### Advantages Of Liquid Casting Resin:

Liquid casting resin refers to a type of resin specifically formulated for casting or molding purposes. It is a two-part polymer that typically consists of a liquid resin and a hardener or catalyst. When these components are combined in the correct ratio and mixed thoroughly, a chemical reaction occurs, causing the mixture to cure and solidify into a durable and clear or translucent material.

Liquid casting resin is widely used in various applications such as crafting, art, jewelry making, model building, and creating prototypes. It is known for its ability to capture fine details, produce smooth surfaces, and create intricate shapes. This resin type is versatile and allows for the addition of colorants, pigments, dyes, and additives to achieve desired effects before pouring into molds or forms for casting.

#### Product Descriptions Of Liquid Casting Resin:

Item	Epoxy Resin(A)	Hardener(B)
Appearance	Liquid	Liquid
Color	Transparent	Transparent
Viscosity@25°C	1800-2200 mPa·s	600-800 mPa·s
Density, g/cm <sup>3</sup>	1.07±0.05	0.95±0.03
Mix Ratio	1:1 by volume	
Hardness	Shore, D85-90	
Pot Life	30-40mins@25°C	
Curing Time	6-8hrs@35°C, 10-15hrs@25°C 24hrs, Dry Completely	
Max Pour Depth	1-6cm max per single pour	
Shelf Life	12 Months	
Application	Ideal for all Casting, Coating and Art Projects including Cutting Boards, Coasters, Countertops, Bartop, Resin Art, Resin Jewelry, Coating Artwork and Acrylic Pour Paintings, Geode Paintings, Molds, River Tables
