

Concrete Surface Industrial Epoxy Floor Coating For Parking Garages And Airports

Our Product Introduction

for more products please visit us on epoxyresinfloorcoating.com

Basic Information

- Place of Origin: DONGGUAN, CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-SL5001
- Minimum Order Quantity: 500KG
- Price: US\$2.5-4.5/Kg
- Packaging Details: Bottle/Cartron/Wooden Box
- Delivery Time: 3-7 Working Days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000000 Ton/Year

Product Specification

- Item Branding Badge: Rubber Resin Flooring
- Outstanding Trait: Heavy-Duty Epoxy Systems
- Key Words: Seamless, High Gloss Finish
- Materials: Epoxy Resin And Hardener
- Application: Wood, Brick, Ceramic, Concrete
- Mixing Ratio: 5:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Highlight: **Airports Industrial Epoxy Floor Coating,**
Concrete Surface Industrial Epoxy Floor Coating
,
Parking Garages Industrial Epoxy Floor Coating

Product Description

Concrete Surface Industrial Epoxy Floor Coating For Parking Garages And Airports

Quick Details Of Industrial Epoxy Floor Coating:

In the intricate tapestry of industrial flooring solutions, industrial epoxy floor coatings emerge as the vanguards of resilience and durability, setting themselves apart with their exceptional performance in wear and chemical resistance. Crafted with meticulous precision, these coatings form an impenetrable barrier capable of withstanding the relentless onslaught of heavy foot traffic, machinery loads, and abrasive forces, ensuring prolonged durability and structural integrity. Moreover, their unparalleled resistance extends to a diverse array of chemicals commonly encountered in industrial environments, including oils, solvents, acids, and alkalis, thereby safeguarding against corrosion and substrate deterioration. This unmatched chemical resilience not only prolongs the lifespan of the flooring system but also minimizes maintenance requirements and associated costs. In essence, industrial epoxy floor coatings stand as bastions of reliability and longevity, offering unwavering protection and aesthetic refinement in the dynamic landscape of industrial settings.

Features Of Industrial Epoxy Floor Coating:

1. Reducing the risk of concrete surface deterioration
2. Epoxy floors have anti-spalling properties
3. Non-slip surface for enhanced safety
4. Easy to apply, clean and maintain surface
5. Withstand heavy equipment and machinery
6. Suitable for industries and commercial spaces

Advantages Of Industrial Epoxy Floor Coating:

Epoxy floor coating is a flooring system composed of epoxy resin and hardener that creates a strong, durable, and long-lasting surface. This coating system is highly resistant to abrasion, chemicals, and moisture, making it ideal for high-traffic areas in commercial, industrial, and residential settings. Epoxy floor coating can be customized with a variety of colors, patterns, and textures, providing a unique and decorative finish. It is easy to clean and maintain, reducing the need for harsh chemicals and providing a low-maintenance flooring solution. Epoxy floor coating is also slip-resistant, improving safety in workplaces and homes. This flooring system can be applied to a variety of substrates, including concrete, wood, and metal, providing versatility and adaptability to any space. With its durability, customization options, and low-maintenance properties, epoxy floor coating is a popular and practical choice for both residential and commercial applications.

Product Descriptions Of Industrial Epoxy Floor Coating:

| Item | Epoxy Resin(A) | Hardener(B) |
|--------------|---|-------------|
| Appearance | Liquid | Liquid |
| Color | Custom Colors | Transparent |
| Density@25°C | 1.3g/cm3 | |
| Mix Ratio | 5:1 by weight | |
| Hardness | 3H | |
| Pot Life | 30-40mins@25°C | |
| Curing Time | 12-15hrs@35°C, 16-24hrs@25°C 24hrs, Dry Completely | |
| Recoat Time | 2Hrs | |
| Thickness | 1-5mm | |
| Shelf Life | 12Months | |
| Application | Industrial Use - Garages, Warehouses, Airports and hangars. Commercial Use - Shopping malls and boutiques, Hotels, Offices, Showrooms, Restaurants, Hospitals, Schools, Bar Tops, Table Tops. Residential Use - Entrances and hallways, basements, entertainment rooms, bathrooms, kitchens and living rooms. | |
