

Customized Industrial Epoxy Floor Coating Enhanced Safety With Slip-Resistant Features

Our Product Introduction

for more products please visit us on epoxyresinfloorcoating.com

Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-SL5001
- Minimum Order Quantity: 500KG
- Price: US\$2.5-3.8/Kg
- Packaging Details: Bottle/Cartron/Pallet
- Delivery Time: 3-7 Working Days
- Payment Terms: T/T
- Supply Ability: 1000 Ton/Month

CREKOAT

Product Specification

- Commodity Badge: Epoxy Polyurethane Flooring
- Exceptional Facet: Smooth Finishes
- Key Words: Seamless, High Gloss Finish
- Materials: Epoxy Resin And Hardener
- Application: Wood, Ceramic Tile, Concrete
- Mixing Ratio: 5:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Highlight: Slip-Resistant Industrial Epoxy Floor Coating, Enhanced Safety Industrial Epoxy Floor Coating, Customized Industrial Epoxy Floor Coating

CREKOAT

Product Description

Customized Industrial Epoxy Floor Coating Enhanced Safety With Slip-Resistant Features

Quick Details Of Industrial Epoxy Floor Coating:

Industrial epoxy floor coatings, fortified with innovative additives such as polymeric beads or rubber fragments, bolster slip resistance by fostering a unique, high-traction surface. This distinctive formulation enhances safety, particularly in wet settings. Upholding routine upkeep and application precision remains fundamental in preserving these advanced slip-resistant attributes. Seeking guidance from a seasoned epoxy flooring professional ensures customized strategies, guaranteeing optimal product selection and application methods tailored to individual demands.

Features Of Industrial Epoxy Floor Coating:

1. Visually appealing with various options
2. Enhanced safety with slip-resistant features
3. Non-slip surface for enhanced safety
4. Easy to apply, clean and maintain surface
5. Withstand heavy equipment and machinery
6. Suitable for industries and commercial spaces

Advantages Of Industrial Epoxy Floor Coating:

Industrial Epoxy floor coating is a flooring system composed of epoxy resin and hardener that creates a strong, durable, and long-lasting surface. Resistant to abrasion, chemicals, and moisture, it's perfect for high-traffic areas in commercial, industrial, and residential spaces. Customizable in colors and patterns for a decorative touch, it's easy to maintain without harsh chemicals. Slip-resistant for safety, it suits various substrates like concrete, wood, and metal, offering versatility. With its durability, customization options, and low-maintenance properties, epoxy floor coating is a popular and practical choice for both residential and commercial applications.

Product Descriptions Of Industrial Epoxy Floor Coating:

Item	Epoxy Resin(A)	Hardener(B)
Appearance	Liquid	Liquid
Color	Custom Colors	Transparent
Density@25°C	1.3g/cm3	
Mix Ratio	5:1 by weight	
Hardness	3H	
Pot Life	30-40mins@25°C	
Curing Time	8-10hrs@35°C, 15-20hrs@25°C 24hrs, Dry Completely	
Recoat Time	2 Hrs	
Thickness	1-3 mm	
Shelf Life	12 Months	
Application	Industrial Use - Garages, Warehouses, Airports and hangars. Commercial Use - Shopping malls and boutiques, Hotels, Offices, Showrooms, Restaurants, Hospitals, Schools, Bar Tops, Table Tops. Residential Use - Entrances and hallways, basements, entertainment rooms, bathrooms, kitchens and living rooms.
