

## UV-Resistant Industrial Epoxy Floor Coating Maintaining Color And Integrity In Sunlight

### Our Product Introduction

for more products please visit us on [epoxyresinfloorcoating.com](http://epoxyresinfloorcoating.com)

#### Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-SL5001
- Minimum Order Quantity: 500KG
- Price: US\$2.5-3.8/Kg
- Packaging Details: Bottle/Cartron/Pallet
- Delivery Time: 3-7 Working Days
- Payment Terms: T/T
- Supply Ability: 1000 Ton/Month

#### Product Specification

- Ware Symbol: Industrial Flooring For Homes
- Singular Quality: Enhanced Impact Absorption
- Key Words: Seamless, High Gloss Finish
- Materials: Epoxy Resin And Hardener
- Application: Wood, Tile, Concrete
- Mixing Ratio: 5:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Highlight: Sunlight Industrial Epoxy Floor Coating,  
Color Industrial Epoxy Floor Coating,  
UV-Resistant Industrial Epoxy Floor Coating

## Product Description

### UV-Resistant Industrial Epoxy Floor Coating Maintaining Color And Integrity In Sunlight

#### Quick Details Of Industrial Epoxy Floor Coating:

Industrial epoxy floor coatings, enriched with specialized ingredients such as microcrystalline cellulose or aramid fibers, elevate slip resistance by establishing a distinctive textured surface that enhances grip significantly. This innovative blend not only reduces slip risks, especially in damp conditions, but also sets a new standard for durability and safety. Adhering to precise application methods and regular maintenance routines is crucial to maintain the efficacy and longevity of these advanced slip-resistant characteristics.

#### Features Of Industrial Epoxy Floor Coating:

1. Antimicrobial for hygiene-sensitive environments
2. UV-resistant, maintaining color and integrity in sunlight
3. Non-slip surface for enhanced safety
4. Easy to apply, clean and maintain surface
5. Withstand heavy equipment and machinery
6. Suitable for industries and commercial spaces

#### Advantages Of Industrial Epoxy Floor Coating:

Industrial Epoxy floor coating is a flooring system composed of epoxy resin and hardener that creates a strong, durable, and long-lasting surface. Resistant to abrasion, chemicals, and moisture, it's perfect for high-traffic areas in commercial, industrial, and residential spaces. Customizable in colors and patterns for a decorative touch, it's easy to maintain without harsh chemicals. Slip-resistant for safety, it suits various substrates like concrete, wood, and metal, offering versatility. With its durability, customization options, and low-maintenance properties, epoxy floor coating is a popular and practical choice for both residential and commercial applications.

#### Product Descriptions Of Industrial Epoxy Floor Coating:

Item	Epoxy Resin(A)	Hardener(B)
Appearance	Liquid	Liquid
Color	Custom Colors	Transparent
Density@25°C	1.3g/cm3	
Mix Ratio	5:1 by weight	
Hardness	3H	
Pot Life	30-40mins@25°C	
Curing Time	8-10hrs@35°C, 15-20hrs@25°C 24hrs, Dry Completely	
Recoat Time	2 Hrs	
Thickness	1-3 mm	
Shelf Life	12 Months	
Application	Industrial Use - Garages, Warehouses, Airports and hangars. Commercial Use - Shopping malls and boutiques, Hotels, Offices, Showrooms, Restaurants, Hospitals, Schools, Bar Tops, Table Tops. Residential Use - Entrances and hallways, basements, entertainment rooms, bathrooms, kitchens and living rooms.
