

Non-Conductive Industrial Epoxy Floor Coating With Quartz Or Flakes For Added Texture

Our Product Introduction

for more products please visit us on epoxyresinfloorcoating.com

Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-SL5001
- Minimum Order Quantity: 500KG
- Price: US\$2.5-3.8/Kg
- Packaging Details: Bottle/Cartron/Pallet
- Delivery Time: 3-7 Working Days
- Payment Terms: T/T
- Supply Ability: 1000 Ton/Month

Product Specification

- Item Label: Best Industrial Floor Paint For Concrete
- Special Aspect: High Resistance To Solvents
- Key Words: Seamless, High Gloss Finish
- Materials: Epoxy Resin And Hardener
- Application: Wood, Tile, Concrete
- Mixing Ratio: 5:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Highlight: **Flakes Industrial Epoxy Floor Coating,
Quartz Industrial Epoxy Floor Coating,
Non-Conductive Industrial Epoxy Floor Coating**

Product Description

Non-Conductive Industrial Epoxy Floor Coating With Quartz Or Flakes For Added Texture

Quick Details Of Industrial Epoxy Floor Coating:

Industrial epoxy floor coatings, enriched with cutting-edge additives like micro glass spheres or conductive nanoparticles, elevate slip resistance by creating a specialized surface texture that maximizes traction. This innovative blend not only minimizes slip risks, particularly in moist environments, but also establishes a new standard for durability and safety. Following precise application methods and routine maintenance is crucial to sustain the efficacy and longevity of these advanced slip-resistant features.

Features Of Industrial Epoxy Floor Coating:

1. Can be combined with quartz or flakes
2. More chemical-resistant than standard epoxy
3. Non-slip surface for enhanced safety
4. Easy to apply, clean and maintain surface
5. Withstand heavy equipment and machinery
6. Suitable for industries and commercial spaces

Advantages Of Industrial Epoxy Floor Coating:

Industrial Epoxy floor coating is a flooring system composed of epoxy resin and hardener that creates a strong, durable, and long-lasting surface. Resistant to abrasion, chemicals, and moisture, it's perfect for high-traffic areas in commercial, industrial, and residential spaces. Customizable in colors and patterns for a decorative touch, it's easy to maintain without harsh chemicals. Slip-resistant for safety, it suits various substrates like concrete, wood, and metal, offering versatility. With its durability, customization options, and low-maintenance properties, epoxy floor coating is a popular and practical choice for both residential and commercial applications.

Product Descriptions Of Industrial Epoxy Floor Coating:

Item	Epoxy Resin(A)	Hardener(B)
Appearance	Liquid	Liquid
Color	Custom Colors	Transparent
Density@25°C	1.3g/cm ³	
Mix Ratio	5:1 by weight	
Hardness	3H	
Pot Life	30-40mins@25°C	
Curing Time	8-10hrs@35°C, 15-20hrs@25°C 24hrs, Dry Completely	
Recoat Time	2 Hrs	
Thickness	1-3 mm	
Shelf Life	12 Months	
Application	Industrial Use - Garages, Warehouses, Airports and hangars. Commercial Use - Shopping malls and boutiques, Hotels, Offices, Showrooms, Restaurants, Hospitals, Schools, Bar Tops, Table Tops. Residential Use - Entrances and hallways, basements, entertainment rooms, bathrooms, kitchens and living rooms.
