

Textured Industrial Non Slip Floor Paint Durable Multicolored Surface

Our Product Introduction

for more products please visit us on epoxyresinfloorcoating.com

Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-SL5001
- Minimum Order Quantity: 500KG
- Price: US\$2.5-3.8/Kg
- Packaging Details: Bottle/Carton/Pallet
- Delivery Time: 3-7 Working Days
- Payment Terms: T/T
- Supply Ability: 1000 Ton/Month

Product Specification

- Product Title: Industrial Epoxy Floor Coating
- Novel Solution: Transparent Finishes
- Key Words: Seamless, High Gloss Finish
- Materials: Epoxy Resin And Hardener
- Application: Wood, Tile, Concrete
- Mixing Ratio: 5:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Highlight: **Multicolored Industrial Floor Paint, Textured Industrial Floor Paint, Durable Industrial Floor Paint**

Product Description

Textured Industrial Non Slip Floor Paint Durable Multicolored Surface

Quick Details Of Industrial Epoxy Floor Coating:

The installation of industrial epoxy floor coatings begins with meticulous surface preparation and priming, followed by the application of advanced epoxy formulations infused with cutting-edge materials like graphene nanoparticles or recycled glass fibers. Tailored application techniques, such as precision spray systems or innovative roller methods, ensure a flawless finish. Optional design elements, including custom color blends or metallic accents, enhance both aesthetics and functionality. Curing procedures and the potential for additional topcoat applications finalize the process, resulting in a high-performance, customized epoxy flooring solution that sets new standards for durability and visual appeal.

Features Of Industrial Epoxy Floor Coating:

1. Unique patterns and visual depth
2. Create a textured, multicolored surface
3. Non-slip surface for enhanced safety
4. Easy to apply, clean and maintain surface
5. Withstand heavy equipment and machinery
6. Suitable for industries and commercial spaces

Advantages Of Industrial Epoxy Floor Coating:

Industrial Epoxy floor coating is a flooring system composed of epoxy resin and hardener that creates a strong, durable, and long-lasting surface. Resistant to abrasion, chemicals, and moisture, it's perfect for high-traffic areas in commercial, industrial, and residential spaces. Customizable in colors and patterns for a decorative touch, it's easy to maintain without harsh chemicals. Slip-resistant for safety, it suits various substrates like concrete, wood, and metal, offering versatility. With its durability, customization options, and low-maintenance properties, epoxy floor coating is a popular and practical choice for both residential and commercial applications.

Product Descriptions Of Industrial Epoxy Floor Coating:

Item	Epoxy Resin(A)	Hardener(B)
Appearance	Liquid	Liquid
Color	Custom Colors	Transparent
Density@25°C	1.3g/cm3	
Mix Ratio	5:1 by weight	
Hardness	3H	
Pot Life	30-40mins@25°C	
Curing Time	8-10hrs@35°C, 15-20hrs@25°C 24hrs, Dry Completely	
Recoat Time	2 Hrs	
Thickness	1-3 mm	
Shelf Life	12 Months	
Application	Industrial Use - Garages, Warehouses, Airports and hangars. Commercial Use - Shopping malls and boutiques, Hotels, Offices, Showrooms, Restaurants, Hospitals, Schools, Bar Tops, Table Tops. Residential Use - Entrances and hallways, basements, entertainment rooms, bathrooms, kitchens and living rooms.
