

## Durable Industrial Epoxy Floor Coating System Combines Epoxy Resin With Quartz

Our Product Introduction

for more products please visit us on [epoxyresinfloorcoating.com](http://epoxyresinfloorcoating.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-SL5001
- Minimum Order Quantity: 500KG
- Price: US\$2.5-3.8/Kg
- Packaging Details: Bottle/Cartron/Pallet
- Delivery Time: 3-7 Working Days
- Payment Terms: T/T
- Supply Ability: 1000 Ton/Month

### Product Specification

- Item Label: Industrial Epoxy Flooring
- Trailblazing Concept: Safe Handling
- Key Words: Seamless, High Gloss Finish
- Materials: Epoxy Resin And Hardener
- Application: Wood, Tile, Concrete
- Mixing Ratio: 5:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Highlight: **Industrial Epoxy Floor Coating System,  
Durable Industrial Epoxy Floor Coating,  
Quartz Industrial Epoxy Floor Coating**

## Product Description

### Durable Industrial Epoxy Floor Coating System Combines Epoxy Resin With Quartz

#### Quick Details Of Industrial Epoxy Floor Coating:

The process of installing industrial epoxy floor coatings commences with thorough surface analysis and preparation. Enhanced epoxy compositions, integrating revolutionary additives like conductive carbon nanotubes or sustainable bio-resins, promise unparalleled strength and longevity. Tailored application methodologies, including robotic precision systems or specialized roller techniques, ensure a flawless finish. Optional aesthetic embellishments such as intricate geometric patterns or customizable textures further enrich the visual impact and utility of the flooring. Curing protocols and the potential for supplementary protective layers conclude the installation, delivering a bespoke, high-performance epoxy flooring solution that embodies cutting-edge design and functionality.

#### Features Of Industrial Epoxy Floor Coating:

1. Combines epoxy resin with quartz sand
2. Resistant to abrasion and impact
3. Non-slip surface for enhanced safety
4. Easy to apply, clean and maintain surface
5. Withstand heavy equipment and machinery
6. Suitable for industries and commercial spaces

#### Advantages Of Industrial Epoxy Floor Coating:

Industrial Epoxy floor coating is a flooring system composed of epoxy resin and hardener that creates a strong, durable, and long-lasting surface. Resistant to abrasion, chemicals, and moisture, it's perfect for high-traffic areas in commercial, industrial, and residential spaces. Customizable in colors and patterns for a decorative touch, it's easy to maintain without harsh chemicals. Slip-resistant for safety, it suits various substrates like concrete, wood, and metal, offering versatility. With its durability, customization options, and low-maintenance properties, epoxy floor coating is a popular and practical choice for both residential and commercial applications.

#### Product Descriptions Of Industrial Epoxy Floor Coating:

Item	Epoxy Resin(A)	Hardener(B)
Appearance	Liquid	Liquid
Color	Custom Colors	Transparent
Density@25°C	1.3g/cm3	
Mix Ratio	5:1 by weight	
Hardness	3H	
Pot Life	30-40mins@25°C	
Curing Time	8-10hrs@35°C, 15-20hrs@25°C 24hrs, Dry Completely	
Recoat Time	2 Hrs	
Thickness	1-3 mm	
Shelf Life	12 Months	
Application	Industrial Use - Garages, Warehouses, Airports and hangars. Commercial Use - Shopping malls and boutiques, Hotels, Offices, Showrooms, Restaurants, Hospitals, Schools, Bar Tops, Table Tops. Residential Use - Entrances and hallways, basements, entertainment rooms, bathrooms, kitchens and living rooms.
