

High-Strength Industrial Shop Floor Paint Self Leveling Trowel-Applied Coatings

Our Product Introduction

for more products please visit us on epoxyresinfloorcoating.com

Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-SL5001
- Minimum Order Quantity: 500KG
- Price: US\$2.5-3.8/Kg
- Packaging Details: Bottle/Cartron/Pallet
- Delivery Time: 3-7 Working Days
- Payment Terms: T/T
- Supply Ability: 1000 Ton/Month

CREKOAT

Product Specification

- Merchandise Tag: Cheapest Industrial Flooring
- Feature: Rapid Curing Time
- Key Words: Seamless, High Gloss Finish
- Materials: Epoxy Resin And Hardener
- Application: Wood, Tile, Concrete
- Mixing Ratio: 5:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Highlight: Trowel Applied Industrial Shop Floor Paint, High Strength Industrial Shop Floor Paint, Self Leveling Industrial Shop Floor Paint

CREKOAT

Product Description

High-Strength Industrial Shop Floor Paint Self Leveling Trowel-Applied Coatings

Quick Details Of Industrial Epoxy Floor Coating:

The installation process for industrial epoxy floor coatings commences with meticulous surface preparation and priming. Employing advanced epoxy formulations enriched with state-of-the-art materials such as conductive graphene sheets or recycled ceramic microspheres ensures unparalleled durability and performance. Tailored application techniques, including precision troweling and cutting-edge spray systems, guarantee a flawless application. Optional design features like custom color blends or metallic accents enhance both visual appeal and functionality. Curing procedures and the possibility of additional topcoat applications conclude the process, delivering a high-performance, bespoke epoxy flooring solution that defines excellence in innovation and quality.

Features Of Industrial Epoxy Floor Coating:

1. High-strength, trowel-applied coatings
2. Used for resurfacing and repairing damaged concrete floors
3. Non-slip surface for enhanced safety
4. Easy to apply, clean and maintain surface
5. Withstand heavy equipment and machinery
6. Suitable for industries and commercial spaces

Advantages Of Industrial Epoxy Floor Coating:

Industrial Epoxy floor coating is a flooring system composed of epoxy resin and hardener that creates a strong, durable, and long-lasting surface. Resistant to abrasion, chemicals, and moisture, it's perfect for high-traffic areas in commercial, industrial, and residential spaces. Customizable in colors and patterns for a decorative touch, it's easy to maintain without harsh chemicals. Slip-resistant for safety, it suits various substrates like concrete, wood, and metal, offering versatility. With its durability, customization options, and low-maintenance properties, epoxy floor coating is a popular and practical choice for both residential and commercial applications.

Product Descriptions Of Industrial Epoxy Floor Coating:

Item	Epoxy Resin(A)	Hardener(B)
Appearance	Liquid	Liquid
Color	Custom Colors	Transparent
Density@25°C	1.3g/cm3	
Mix Ratio	5:1 by weight	
Hardness	3H	
Pot Life	30-40mins@25°C	
Curing Time	8-10hrs@35°C, 15-20hrs@25°C 24hrs, Dry Completely	
Recoat Time	2 Hrs	
Thickness	1-3 mm	
Shelf Life	12 Months	
Application	Industrial Use - Garages, Warehouses, Airports and hangars. Commercial Use - Shopping malls and boutiques, Hotels, Offices, Showrooms, Restaurants, Hospitals, Schools, Bar Tops, Table Tops.
