

UV-Resistant Industrial Flooring Coating For Outdoor Applications

Our Product Introduction

for more products please visit us on epoxyresinfloorcoating.com

Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-SL5001
- Minimum Order Quantity: 500KG
- Price: US\$2.5-3.8/Kg
- Packaging Details: Bottle/Carton/Pallet
- Delivery Time: 3-7 Working Days
- Payment Terms: T/T
- Supply Ability: 1000 Ton/Month

CREKOAT

Product Specification

- Goods Identifier: Industrial Garage Epoxy
- Characteristic: High Clarity
- Key Words: Seamless, High Gloss Finish
- Materials: Epoxy Resin And Hardener
- Application: Wood, Tile, Concrete
- Mixing Ratio: 5:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Highlight: **UV-Resistant Industrial Flooring Coating, High Gloss Industrial Flooring Coating**

CREKOAT

Product Description

UV-Resistant Cheapest Industrial Flooring Ideal For Outdoor Applications

Quick Details Of Industrial Epoxy Floor Coating:

The application of industrial epoxy floor coatings starts with meticulous surface preparation and priming. Advanced epoxy formulations, infused with innovative materials like conductive graphene or recycled glass, ensure exceptional durability. Tailored application methods, from precision troweling to cutting-edge spray systems, guarantee a flawless finish. Optional design elements, such as custom color blends or metallic accents, elevate both aesthetics and functionality. Curing processes and the option for additional topcoat applications finalize the procedure, resulting in a high-performance, customized epoxy flooring solution that showcases cutting-edge innovation and quality.

Features Of Industrial Epoxy Floor Coating:

1. UV-resistant epoxy coatings
2. Formulated to resist yellowing
3. Non-slip surface for enhanced safety
4. Easy to apply, clean and maintain surface
5. Withstand heavy equipment and machinery
6. Suitable for industries and commercial spaces

Advantages Of Industrial Epoxy Floor Coating:

Industrial Epoxy floor coating is a flooring system composed of epoxy resin and hardener that creates a strong, durable, and long-lasting surface. Resistant to abrasion, chemicals, and moisture, it's perfect for high-traffic areas in commercial, industrial, and residential spaces. Customizable in colors and patterns for a decorative touch, it's easy to maintain without harsh chemicals. Slip-resistant for safety, it suits various substrates like concrete, wood, and metal, offering versatility. With its durability, customization options, and low-maintenance properties, epoxy floor coating is a popular and practical choice for both residential and commercial applications.

Product Descriptions Of Industrial Epoxy Floor Coating:

Item	Epoxy Resin(A)	Hardener(B)
Appearance	Liquid	Liquid
Color	Custom Colors	Transparent
Density@25°C	1.3g/cm3	
Mix Ratio	5:1 by weight	
Hardness	3H	
Pot Life	30-40mins@25°C	
Curing Time	8-10hrs@35°C, 15-20hrs@25°C 24hrs, Dry Completely	
Recoat Time	2 Hrs	
Thickness	1-3 mm	
Shelf Life	12 Months	
Application	Industrial Use - Garages, Warehouses, Airports and hangars. Commercial Use - Shopping malls and boutiques, Hotels, Offices, Showrooms, Restaurants, Hospitals, Schools, Bar Tops, Table Tops. Residential Use - Entrances and hallways, basements, entertainment rooms, bathrooms, kitchens and living rooms.
