

## Decorative Industrial Epoxy Concrete Floor Coating Epoxy Marbling Techniques

Our Product Introduction

for more products please visit us on [epoxyresinfloorcoating.com](http://epoxyresinfloorcoating.com)

### Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-SL5001
- Minimum Order Quantity: 500KG
- Price: US\$2.5-3.8/Kg
- Packaging Details: Bottle/Cartron/Pallet
- Delivery Time: 3-7 Working Days
- Payment Terms: T/T
- Supply Ability: 1000 Ton/Month

CREKOAT

### Product Specification

- Line Designation: Industrial Strength Epoxy Floor Coating
- Attribute: Non-Flammable Formulation
- Key Words: Seamless, High Gloss Finish
- Materials: Epoxy Resin And Hardener
- Application: Wood, Tile, Concrete
- Mixing Ratio: 5:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Highlight: **Marbling Techniques Industrial Epoxy Floor Coating**  
**, Decorative Industrial Epoxy Floor Coating,**  
**Decorative Concrete Floor Coating**

CREKOAT

## Product Description

### Decorative Industrial Epoxy Concrete Floor Coating Epoxy Marbling Techniques

#### Quick Details Of Industrial Epoxy Floor Coating:

The installation of industrial epoxy floor coatings starts with meticulous surface preparation and priming. Advanced epoxy blends, featuring innovative materials like conductive graphene or recycled glass microspheres, ensure exceptional durability. Tailored application techniques, from precision troweling to state-of-the-art spray systems, guarantee a flawless application. Optional design elements, such as custom color mixes or metallic accents, elevate both aesthetics and functionality. Curing procedures and the option for additional topcoat applications complete the process, delivering a high-performance, personalized epoxy flooring solution that sets a new standard for quality and innovation.

#### Features Of Industrial Epoxy Floor Coating:

1. Ideal for outdoor applications
2. Decorative epoxy marbling techniques
3. Non-slip surface for enhanced safety
4. Easy to apply, clean and maintain surface
5. Withstand heavy equipment and machinery
6. Suitable for industries and commercial spaces

#### Advantages Of Industrial Epoxy Floor Coating:

Industrial Epoxy floor coating is a flooring system composed of epoxy resin and hardener that creates a strong, durable, and long-lasting surface. Resistant to abrasion, chemicals, and moisture, it's perfect for high-traffic areas in commercial, industrial, and residential spaces. Customizable in colors and patterns for a decorative touch, it's easy to maintain without harsh chemicals. Slip-resistant for safety, it suits various substrates like concrete, wood, and metal, offering versatility. With its durability, customization options, and low-maintenance properties, epoxy floor coating is a popular and practical choice for both residential and commercial applications.

#### Product Descriptions Of Industrial Epoxy Floor Coating:

Item	Epoxy Resin(A)	Hardener(B)
Appearance	Liquid	Liquid
Color	Custom Colors	Transparent
Density@25°C	1.3g/cm3	
Mix Ratio	5:1 by weight	
Hardness	3H	
Pot Life	30-40mins@25°C	
Curing Time	8-10hrs@35°C, 15-20hrs@25°C 24hrs, Dry Completely	
Recoat Time	2 Hrs	
Thickness	1-3 mm	
Shelf Life	12 Months	
Application	Industrial Use - Garages, Warehouses, Airports and hangars. Commercial Use - Shopping malls and boutiques, Hotels, Offices, Showrooms, Restaurants, Hospitals, Schools, Bar Tops, Table Tops. Residential Use - Entrances and hallways, basements, entertainment rooms, bathrooms, kitchens and living rooms.
