

Low-VOC Industrial Kitchen Floor Paint Antimicrobial Properties For Healthcare Settings

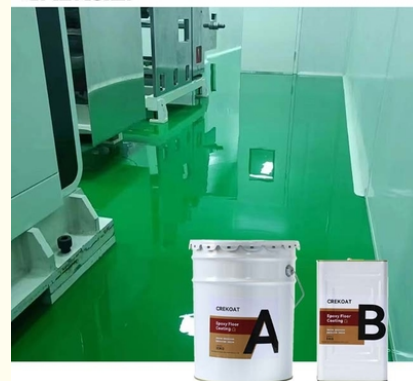

Our Product Introduction

for more products please visit us on epoxyresinfloorcoating.com

Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-SL5001
- Minimum Order Quantity: 500KG
- Price: US\$2.5-3.8/Kg
- Packaging Details: Bottle/Cartron/Pallet
- Delivery Time: 3-7 Working Days
- Payment Terms: T/T
- Supply Ability: 1000 Ton/Month

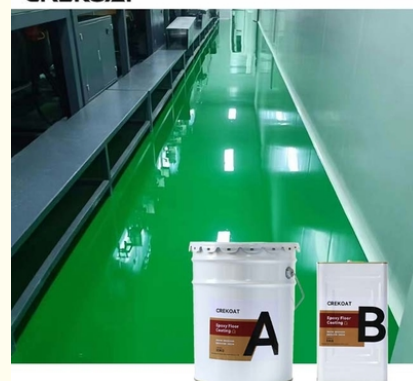

CREKOAT

Product Specification

- Inventory Label: Industrial Epoxy Coating
- Aspect: Superior Adhesion
- Key Words: Seamless, High Gloss Finish
- Materials: Epoxy Resin And Hardener
- Application: Wood, Tile, Concrete
- Mixing Ratio: 5:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Highlight: **Low VOC Industrial Kitchen Floor Paint, Healthcare Settings Industrial Kitchen Floor Paint, Antimicrobial Industrial Kitchen Floor Paint**

CREKOAT

Product Description

Low-VOC Industrial Kitchen Floor Paint Antimicrobial Properties For Healthcare Settings

Quick Details Of Industrial Epoxy Floor Coating:

The installation of industrial epoxy floor coatings begins with detailed surface analysis and treatment. Employing advanced epoxy formulations enhanced with innovative components like conductive polymers or upcycled materials ensures exceptional durability and eco-friendliness. Tailored application techniques, from precision robotic systems to handcrafted detailing, guarantee a flawless finish. Optional design enhancements such as custom graphic overlays or sustainable inlays elevate both aesthetics and environmental impact. Curing processes and the choice for additional protective coatings finalize the process, delivering a high-performance, customized epoxy flooring solution that showcases a blend of cutting-edge technology, sustainability, and artistic expression.

Features Of Industrial Epoxy Floor Coating:

1. Low-VOC, reducing harmful emissions
2. Antimicrobial properties for healthcare settings
3. Non-slip surface for enhanced safety
4. Easy to apply, clean and maintain surface
5. Withstand heavy equipment and machinery
6. Suitable for industries and commercial spaces

Advantages Of Industrial Epoxy Floor Coating:

Industrial Epoxy floor coating is a flooring system composed of epoxy resin and hardener that creates a strong, durable, and long-lasting surface. Resistant to abrasion, chemicals, and moisture, it's perfect for high-traffic areas in commercial, industrial, and residential spaces. Customizable in colors and patterns for a decorative touch, it's easy to maintain without harsh chemicals. Slip-resistant for safety, it suits various substrates like concrete, wood, and metal, offering versatility. With its durability, customization options, and low-maintenance properties, epoxy floor coating is a popular and practical choice for both residential and commercial applications.

Product Descriptions Of Industrial Epoxy Floor Coating:

| Item | Epoxy Resin(A) | Hardener(B) |
|--------------|---|-------------|
| Appearance | Liquid | Liquid |
| Color | Custom Colors | Transparent |
| Density@25°C | 1.3g/cm3 | |
| Mix Ratio | 5:1 by weight | |
| Hardness | 3H | |
| Pot Life | 30-40mins@25°C | |
| Curing Time | 8-10hrs@35°C, 15-20hrs@25°C 24hrs, Dry Completely | |
| Recoat Time | 2 Hrs | |
| Thickness | 1-3 mm | |
| Shelf Life | 12 Months | |
| Application | Industrial Use - Garages, Warehouses, Airports and hangars. Commercial Use - Shopping malls and boutiques, Hotels, Offices, Showrooms, Restaurants, Hospitals, Schools, Bar Tops, Table Tops.
