

Industrial Strength Epoxy Floor Coating Self-Priming Saving Time During Application

Our Product Introduction

for more products please visit us on epoxyresinfloorcoating.com

Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-SL5001
- Minimum Order Quantity: 500KG
- Price: US\$2.5-3.8/Kg
- Packaging Details: Bottle/Carton/Pallet
- Delivery Time: 3-7 Working Days
- Payment Terms: T/T
- Supply Ability: 1000 Ton/Month

Product Specification

- Stock Appellation: Epoxy Flooring
- Element: Enhanced UV Stability
- Key Words: Seamless, High Gloss Finish
- Materials: Epoxy Resin And Hardener
- Application: Wood, Tile, Concrete
- Mixing Ratio: 5:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Highlight: Industrial Strength Epoxy Floor Coating,
Saving Time Epoxy Floor Coating,
Self Priming Epoxy Floor Coating

Product Description

Industrial Strength Epoxy Floor Coating Self-Priming Saving Time During Application

Quick Details Of Industrial Epoxy Floor Coating:

Embarking on industrial epoxy floor coating involves meticulous surface profiling and conditioning. Incorporating advanced epoxy formulations enriched with innovative substances like conductive carbon nanotubes or reclaimed aggregates ensures exceptional strength and sustainability. Tailored application methods, ranging from automated precision systems to artisanal detailing, guarantee a flawless execution. Optional design elements such as bespoke geometric motifs or eco-conscious embellishments enhance both visual appeal and ecological mindfulness. Curing protocols and the option for supplementary protective coatings conclude the process, yielding a high-performance, bespoke epoxy flooring solution that harmonizes cutting-edge technology, durability, and environmental stewardship.

Features Of Industrial Epoxy Floor Coating:

1. Self-priming, saving time during application
2. Can use recycled materials for sustainability
3. Non-slip surface for enhanced safety
4. Easy to apply, clean and maintain surface
5. Withstand heavy equipment and machinery
6. Suitable for industries and commercial spaces

Advantages Of Industrial Epoxy Floor Coating:

Industrial Epoxy floor coating is a flooring system composed of epoxy resin and hardener that creates a strong, durable, and long-lasting surface. Resistant to abrasion, chemicals, and moisture, it's perfect for high-traffic areas in commercial, industrial, and residential spaces. Customizable in colors and patterns for a decorative touch, it's easy to maintain without harsh chemicals. Slip-resistant for safety, it suits various substrates like concrete, wood, and metal, offering versatility. With its durability, customization options, and low-maintenance properties, epoxy floor coating is a popular and practical choice for both residential and commercial applications.

Product Descriptions Of Industrial Epoxy Floor Coating:

| Item | Epoxy Resin(A) | Hardener(B) |
|--------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
| Appearance | Liquid | Liquid |
| Color | Custom Colors | Transparent |
| Density@25°C | 1.3g/cm3 | |
| Mix Ratio | 5:1 by weight | |
| Hardness | 3H | |
| Pot Life | 30-40mins@25°C | |
| Curing Time | 8-10hrs@35°C, 15-20hrs@25°C 24hrs, Dry Completely | |
| Recoat Time | 2 Hrs | |
| Thickness | 1-3 mm | |
| Shelf Life | 12 Months | |
| Application | Industrial Use - Garages, Warehouses, Airports and hangars. Commercial Use - Shopping malls and boutiques, Hotels, Offices, Showrooms, Restaurants, Hospitals, Schools, Bar Tops, Table Tops. Residential Use - Entrances and hallways, basements, entertainment rooms, bathrooms, kitchens and living rooms. | |
