

Non-Toxic Clear Epoxy Resin Low Odor For Comfortable Indoor

Our Product Introduction

for more products please visit us on epoxyresinfloorcoating.com

Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-DP2001
- Minimum Order Quantity: 500KG
- Price: US\$3.5-4.8/Kg
- Packaging Details: Bottle/Cartron/Pallet
- Delivery Time: 3-7 Working Days
- Payment Terms: T/T
- Supply Ability: 1000 Ton/Month

Product Specification

- Product Logo: Clear Coat Epoxy For Tumblers
- Distinguishing Element: FDA-Compliant For Food Safety
- Key Words: Bubble Free, Crystal Clear
- Materials: 100% Solids Epoxy Resin
- Application: Casting, Coating And Art
- Mixing Ratio: 2:1 By Weight
- Pot Life: 60 Minutes
- Shelf Life: 12 Months
- Highlight: **Low Odor Epoxy Resin,
Comfortable Indoor Epoxy Resin,
Non-Toxic Epoxy Resin**

Product Description

Non-Toxic Best Clear Epoxy Resin Low Odor For Comfortable Indoor Use

Quick Details Of Deep Pour Epoxy Resin:

Deep pour epoxy resin stands as a versatile and transformative material, breaking through traditional limitations to inspire innovation across a vast spectrum of projects. In the realm of furniture design, it transcends ordinary surfaces to craft extraordinary pieces, imparting tabletops and countertops with a radiant and enduring finish that radiates unparalleled sophistication. Its artistic potential shines in resin art, enabling the creation of intricate and captivating works, from dynamic abstract compositions to ethereal underwater scenes, each piece a reflection of boundless creativity. Going beyond the expected, deep pour epoxy resin finds its place in bespoke decor, adding a personalized touch to coasters, trays, and jewelry, infusing each item with a unique and artistic flair. Woodworkers leverage its versatility to seamlessly blend materials, while flooring experts depend on its durable nature to create smooth and resilient surfaces. Across these diverse applications, deep pour epoxy resin emerges as a catalyst for innovation, empowering artisans to push the boundaries of creativity and achieve exceptional and distinct results.

Features Of Deep Pour Epoxy Resin:

1. Low odor for comfortable indoor use
2. Non-flammable composition for safety
3. Brings depth and dimension to your creations
4. UV resistant, highest yellowing resistance
5. Low shrinkage rates for precise applications
6. Ideal for all casting and art projects

Advantages Of Deep Pour Epoxy Resin:

Deep Pour epoxy is a two part, crystal clear deep casting resin that is design for projects that require pouring thickness exceeding 2 ". Its convenient formula requires a 2:1 ratio, which will result in stunning projects with glass like finishes. You can even pour multiple thick layers with a depth over 2 inches. Customize your crafts with vibrant colors, such as glitter, mica powder, liquid dye and more! Deep Pour epoxy resin is perfect for a variety of unique projects, from river tables, live edge tables, furniture making, flower encapsulations and embedding, service trays, and so much more!
