Product Description

Decorative Epoxy Flake Floor Coating Available In A Wide Range Of Color Combinations

Quick Details Of Epoxy Flake Floor Coating:

Epoxy flake floor coatings are a versatile and high-performance solution for both residential and commercial spaces, combining durability with customizable aesthetics. In homes, they are ideal for garages, basements, and kitchens, offering a seamless, stain-resistant surface that enhances functionality and style. For commercial applications, such as retail stores, restaurants, offices, and industrial facilities, their exceptional resistance to heavy foot traffic, chemicals, and abrasion ensures long-term reliability. What sets epoxy flake floors apart is their ability to incorporate decorative flakes in various colors and sizes, creating unique, non-slip finishes tailored to specific design preferences. Proper surface preparation and professional installation further ensure a flawless, long-lasting result, making them a standout choice for spaces that demand both practicality and visual appeal.

Features Of Epoxy Flake Floor Coating:

1. Offers a decorative, flake-speckled finish
2. Available in a wide range of color combinations
3. Enhances safety with slip-resistant properties
4. Easy to apply, clean and maintain
5. Naturally de-foaming with no ripples
6. Durable, high gloss, water resistant

Advantages Of Epoxy Flake Floor Coating:

Epoxy flake floor coating is a highly-durable floor coating application that incorporates a double broadcast of colored flakes chips with epoxy resin and polyaspartic coatings. The system provides flooring solutions for the most demanding heavy-traffic environments, specifically in areas that require significant traction. The durable and stunning appearance that comes from this epoxy finish will endure for many years to come, with minimal or no maintenance other than regular cleaning using mild cleaning products. UV stable epoxy flake coating offers seamless, safe, highly durable, and easy to clean solutions to meet the most demanding flooring challenges.
