Product Description

Vinyl Chip Epoxy Flooring Enhances Floor Brightness With Light-Reflective

Quick Details Of Epoxy Flake Floor Coating:

Epoxy flake floor coatings provide unique solutions for specialized environments by combining functionality with aesthetic appeal. In cleanrooms and pharmaceutical facilities, they offer seamless, non-porous surfaces that meet strict hygiene standards, while in entertainment venues like theaters or concert halls, their customizable designs enhance the visual experience with vibrant, textured finishes. For agricultural settings, such as barns or food processing areas, they provide durable, easy-to-clean surfaces resistant to moisture and chemicals. The decorative flakes, available in a wide range of colors and textures, allow for tailored designs that reflect specific themes or branding. Additionally, epoxy flake floors can be engineered with thermal conductivity for underfloor heating systems, adding comfort to residential or commercial spaces. Whether for a sterile lab, a lively entertainment space, or a demanding agricultural facility, epoxy flake floors deliver a versatile, high-performance solution that meets unique challenges with style and durability.

Features Of Epoxy Flake Floor Coating:

1. Allows moisture vapor transmission in certain formulations
2. Enhances brightness in spaces by reflecting light
3. Enhances safety with slip-resistant properties
4. Easy to apply, clean and maintain
5. Naturally de-foaming with no ripples
6. Durable, high gloss, water resistant

Advantages Of Epoxy Flake Floor Coating:

Epoxy flake floor coating is a highly-durable floor coating application that incorporates a double broadcast of colored flakes chips with epoxy resin and polyaspartic coatings. The system provides flooring solutions for the most demanding heavy-traffic environments, specifically in areas that require significant traction. The durable and stunning appearance that comes from this epoxy finish will endure for many years to come, with minimal or no maintenance other than regular cleaning using mild cleaning products. UV stable epoxy flake coating offers seamless, safe, highly durable, and easy to clean solutions to meet the most demanding flooring challenges.
