

Self Leveling Epoxy Paint Available In Various Shades And Gloss / Matte Options

Our Product Introduction

for more products please visit us on epoxyresinfloorcoating.com

Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-SL5001
- Minimum Order Quantity: 500KG
- Price: US\$2.5-3.8/Kg
- Packaging Details: Bottle/Cartron/Pallet
- Delivery Time: 3-7 Working Days
- Payment Terms: T/T
- Supply Ability: 1000 Ton/Month

Product Specification

- Product SKU: Epoxy Floor Paint
- Property: Seamless Finish
- Key Words: Durable Surface
- Materials: High Solids Epoxy
- Application: Wood, Tile, Concrete
- Mixing Ratio: 5:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Highlight: **Matte Self Leveling Epoxy Paint,
Gloss Self Leveling Epoxy Paint,
Various Shades Self Leveling Epoxy Paint**

Product Description

Self Leveling Epoxy Paint Available In Various Shades And Gloss/Matte Options

Quick Details Of Industrial Epoxy Floor Coating:

Industrial epoxy floor coatings are now evolving into multi-functional surface systems that actively enhance operational efficiency. The latest innovations include energy-harvesting epoxy composites that convert foot traffic vibrations into usable electricity for facility lighting, and self-healing variants with embedded heating elements for cold storage areas. Some cutting-edge formulations incorporate phase-change materials to regulate floor temperature, reducing HVAC loads in large warehouses. For hazardous environments, intrinsically safe epoxy coatings prevent static sparking in explosive atmospheres, while AI-optimized application systems use real-time viscosity monitoring to ensure perfect layer thickness. These next-generation floors don't just protect surfaces - they become active contributors to facility performance and energy sustainability.

Features Of Industrial Epoxy Floor Coating:

1. Resists yellowing and degradation from sunlight
2. Available in various shades and gloss/matte options
3. Non-slip surface for enhanced safety
4. Easy to apply, clean and maintain surface
5. Withstand heavy equipment and machinery
6. Suitable for industries and commercial spaces

Advantages Of Industrial Epoxy Floor Coating:

Industrial epoxy floor coatings offer exceptional durability, chemical resistance, and long-term cost savings, making them ideal for high-traffic facilities. Their seamless, non-porous surface resists oils, acids, and abrasions while ensuring easy cleaning and maintenance. With high adhesion strength and customizable finishes (anti-slip, UV-resistant, or decorative), they enhance safety and aesthetics. Epoxy floors also feature fast curing times, minimizing downtime, and can withstand heavy loads, making them perfect for factories, warehouses, and garages. Low-VOC options provide eco-friendly solutions without compromising performance.

Product Descriptions Of Industrial Epoxy Floor Coating:

Item	Epoxy Resin(A)	Hardener(B)
Appearance	Liquid	Liquid
Color	Custom Colors	Transparent
Density@25°C	1.3g/cm3	
Mix Ratio	5:1 by weight	
Hardness	3H	
Pot Life	30-40mins@25°C	
Curing Time	8-10hrs@35°C, 15-20hrs@25°C 24hrs, Dry Completely	
Recoat Time	2Hrs	
Thickness	1-5mm	
Shelf Life	12 Months	
Application	Industrial Use - Garages, Warehouses, Airports and hangars. Commercial Use - Shopping malls and boutiques, Hotels, Offices, Showrooms, Restaurants, Hospitals, Schools, Bar Tops, Table Tops. Residential Use - Entrances and hallways, basements, entertainment rooms, bathrooms, kitchens and living rooms.
