

Self Leveling Concrete Paint For Commercial And Industrial Environments

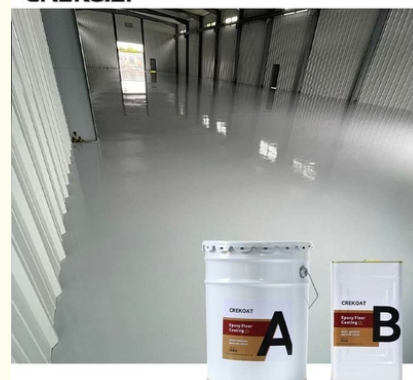

Our Product Introduction

for more products please visit us on epoxyresinfloorcoating.com

Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-SL5001
- Minimum Order Quantity: 500KG
- Price: US\$2.5-3.8/Kg
- Packaging Details: Bottle/Cartron/Pallet
- Delivery Time: 3-7 Working Days
- Payment Terms: T/T
- Supply Ability: 1000 Ton/Month

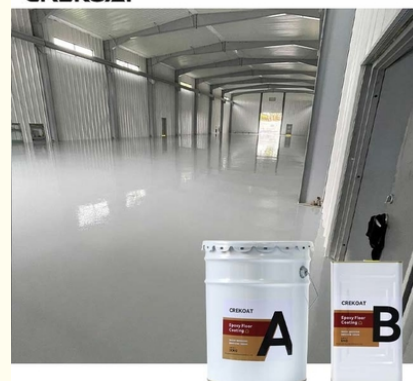

CREKOAT

Product Specification

- Product Type: Concrete Epoxy
- Core Trait: Slip Resistant
- Key Words: Durable Surface
- Materials: High Solids Epoxy
- Application: Wood, Tile, Concrete
- Mixing Ratio: 5:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months
- Highlight: Industrial Self Leveling Concrete Paint, Commercial Self Leveling Concrete Paint

CREKOAT

Product Description

Self Leveling Concrete Paint For Commercial And Industrial Environments

Quick Details Of Industrial Epoxy Floor Coating:

Industrial epoxy floor coatings are high-performance, durable solutions designed for demanding commercial and industrial environments, offering exceptional resistance to heavy traffic, impacts, abrasion, and harsh chemicals like oils, solvents, and acids. Their seamless, non-porous surface prevents bacterial growth for easy cleaning and hygiene maintenance, while customizable finishes - including glossy, matte, anti-slip, or decorative flake/quartz options - provide both functionality and aesthetic appeal. With fast installation and curing times that minimize facility downtime, these long-lasting coatings are ideal for factories, warehouses, garages, labs, hospitals, and food processing plants, delivering years of reliable protection that enhances safety, cleanliness, and operational efficiency for concrete flooring systems.

Features Of Industrial Epoxy Floor Coating:

1. Reduces downtime during installation
2. Handles extreme temperature changes
3. Non-slip surface for enhanced safety
4. Easy to apply, clean and maintain surface
5. Withstand heavy equipment and machinery
6. Suitable for industries and commercial spaces

Advantages Of Industrial Epoxy Floor Coating:

Industrial epoxy floor coatings offer exceptional durability, chemical resistance, and long-term cost savings, making them ideal for high-traffic facilities. Their seamless, non-porous surface resists oils, acids, and abrasions while ensuring easy cleaning and maintenance. With high adhesion strength and customizable finishes (anti-slip, UV-resistant, or decorative), they enhance safety and aesthetics. Epoxy floors also feature fast curing times, minimizing downtime, and can withstand heavy loads, making them perfect for factories, warehouses, and garages. Low-VOC options provide eco-friendly solutions without compromising performance.

Product Descriptions Of Industrial Epoxy Floor Coating:

| Item | Epoxy Resin(A) | Hardener(B) |
|--------------|---|-------------|
| Appearance | Liquid | Liquid |
| Color | Custom Colors | Transparent |
| Density@25°C | 1.3g/cm3 | |
| Mix Ratio | 5:1 by weight | |
| Hardness | 3H | |
| Pot Life | 30-40mins@25°C | |
| Curing Time | 8-10hrs@35°C, 15-20hrs@25°C 24hrs, Dry Completely | |
| Recoat Time | 2Hrs | |
| Thickness | 1-5mm | |
| Shelf Life | 12 Months | |
| Application | Industrial Use - Garages, Warehouses, Airports and hangars. Commercial Use - Shopping malls and boutiques, Hotels, Offices, Showrooms, Restaurants, Hospitals, Schools, Bar Tops, Table Tops. Residential Use - Entrances and hallways, basements, entertainment rooms, bathrooms, kitchens and living rooms. | |
