

Industrial Epoxy Floor Coating Quick-Curing Low-Maintenance Surfaces

Our Product Introduction

for more products please visit us on epoxyresinfloorcoating.com

Basic Information

- Place of Origin: CHINA
- Brand Name: CREKOAT
- Certification: TDS, MSDS
- Model Number: CK-SL5001
- Minimum Order Quantity: 500KG
- Price: US\$2.5-3.8/Kg
- Packaging Details: Bottle/Cartron/Pallet
- Delivery Time: 3-7 Working Days
- Payment Terms: T/T
- Supply Ability: 1000 Ton/Month

Product Specification

- Product Version: Red Epoxy Floor
- Properties: Textured Safety Finish
- Key Words: Durable Surface
- Materials: High Solids Epoxy
- Application: Wood, Tile, Concrete
- Mixing Ratio: 5:1 By Weight
- Pot Life: 30 Minutes
- Shelf Life: 12 Months

Product Description

Industrial Epoxy Floor Coating Quick-Curing Low-Maintenance Surfaces

Quick Details Of Industrial Epoxy Floor Coating:

Industrial epoxy flooring systems provide resilient, low-maintenance surfaces for demanding work environments. Engineered to endure daily industrial operations, these floors resist abrasion from heavy machinery and withstand exposure to oils, solvents, and cleaning chemicals. Their non-porous, monolithic design eliminates cracks and joints where contaminants could collect - particularly valuable in pharmaceutical facilities and automotive workshops. The coatings offer functional customization with options ranging from matte anti-slip surfaces for safety to high-gloss finishes that improve ambient lighting. Quick-curing formulations allow return to service within 1-2 days post-installation, while their inherent durability ensures years of service with basic care. This combination of rugged performance and straightforward upkeep makes epoxy an efficient flooring solution for manufacturing plants, distribution centers, and other high-traffic commercial spaces.

Features Of Industrial Epoxy Floor Coating:

1. Impact-resistant formulations
2. Custom color matching capabilities
3. Non-slip surface for enhanced safety
4. Easy to apply, clean and maintain surface
5. Withstand heavy equipment and machinery
6. Suitable for industries and commercial spaces

Advantages Of Industrial Epoxy Floor Coating:

Industrial epoxy floor coatings offer exceptional durability, chemical resistance, and long-term cost savings, making them ideal for high-traffic facilities. Their seamless, non-porous surface resists oils, acids, and abrasions while ensuring easy cleaning and maintenance. With high adhesion strength and customizable finishes (anti-slip, UV-resistant, or decorative), they enhance safety and aesthetics. Epoxy floors also feature fast curing times, minimizing downtime, and can withstand heavy loads, making them perfect for factories, warehouses, and garages. Low-VOC options provide eco-friendly solutions without compromising performance.

Product Descriptions Of Industrial Epoxy Floor Coating:

Item	Epoxy Resin(A)	Hardener(B)
Appearance	Liquid	Liquid
Color	Customized Colors	Transparent
Density@25°C	1.3g/cm3	
Mix Ratio	5:1 by weight	
Hardness	3H	
Pot Life	30-40mins@25°C	
Curing Time	8-10hrs@35°C, 15-20hrs@25°C 24hrs, Dry Completely	
Recoat Time	2Hrs	
Thickness	1-5mm	
Shelf Life	12 Months	
Application	Industrial Use - Garages, Warehouses, Airports and hangars. Commercial Use - Shopping malls and boutiques, Hotels, Offices, Showrooms, Restaurants, Hospitals, Schools, Bar Tops, Table Tops. Residential Use - Entrances and hallways, basements, entertainment rooms, bathrooms, kitchens and living rooms.
